- people with neurodegenerative disease conditions
- older people with gradual functional decline
- families and carers for any of the above

**Our service includes:**

## Occupational Therapy

- Assessments and prescription
- Training and capacity building
- NDIS support and report writing

## Assistive Technology (AT) / Equipment

- Custom AT (and modification)
- Freedom Wheels Customised Bike Service
- Repairs and maintenance

Since 1975, Solve has been providing Victorians and families with therapy services and AT solutions to help people of all ages and abilities. With both metropolitan and regional OTs and over 100 state-wide Technical Volunteers, we work with you, your family and other health professionals to help you achieve your goals and *live without limits*.

Our experienced workforce will assess and address your goals, abilities and functionality to provide you with AT options to help you achieve your goals.

***Acknowledgement of Country***

At Solve, we acknowledge the Australian Aboriginal and Torres Strait Islander peoples as the traditional custodians of the land.

We acknowledge the traditional custodians of the lands across Victoria where our services are located. We also pay our respects to ancestors and Elders, past, present and emerging.

Solve is committed to honouring Australian Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to our society.
