

# Privacy and Client Rights

Page updated: 06 April 2018

---

Solve Disability Solutions values the privacy of every individual's personal information and health information, and is committed to protecting the information it collects and uses in accordance with its obligations under the relevant Acts. Solve has developed documentation that describes how we manage the personal information we collect about our clients, volunteers and others involved in the provision of our service. The following documentation can be downloaded by clicking on the link in the download box.

-  [Privacy Policy \(DOCX\)](#)
-  [Privacy Policy \(PDF\)](#)
-  [Privacy Statement \(DOCX\)](#)
-  [Privacy Statement \(PDF\)](#)
-  [Privacy Statement \(easy English\) DOCX](#)
-  [Privacy Statement \(easy English\) PDF](#)

At Solve Disability Solutions we are committed to ensuring the human rights of all people with disability are upheld. Download more information about the kind of treatment you can expect from us, and what we expect from you:
