- I am a bike enthusiast
- I have a basic understanding of bike mechanics

Want to find out more?

Visit our website at www.solve.org.au
or call us on 1300 663 243.

We have branches in Melbourne, Ballarat, Barwon, Bendigo, Central Gippsland, East Gippsland, Peninsula, South Gippsland, South West, Swan Hill and Sunraysia.

We need volunteers to join our metropolitan and regional teams.

Solve Disability Solutions is a volunteer organisation that customises equipment for people with disabilities whose needs cannot be met commercially.

Volunteers work together with our occupational therapists, clients and their carers, to make or modify equipment that promotes independence and improves quality of life.

There are opportunities to volunteer for Solve throughout Victoria in a range of different ways.

Technical Volunteers use their trade, engineering and technical skills and experience to build equipment related solutions.

Freedom Wheels Volunteers assist in the Freedom Wheels Cycling Program at bike clinics and assembling customised bikes.

Administrative Volunteers undertake various roles including administration, public relations and fundraising.

“ Becoming a Solve volunteer gives me a chance to do something rewarding and contribute to the community ”
